

GLOBAL
COVID
ALLIANCE
PARTNERS

COVID-19 is hitting
poor countries the
hardest

Must act now to end the
humanitarian crisis

Molnupiravir is
the first generic
drug received
FDA/EUA

COVID-19 Pill Is
More Accessible
Than Vaccines

Molnupiravir Donation Program (MDP)

GCAP is working together with Indian generic drug manufacturers, UN and its affiliated organizations, Charity foundations around the world, to deliver millions Molnupiravir generic drug to the hands of needed ones in developing countries.

*Call for Global Charitable
organizations and Global
Humanitarian groups to action*

ACT NOW
